

Health Equity & Social Justice in a Pandemic

Examining COVID-19 Vaccine Disparities in Diverse Communities

COVID-19 has disproportionately impacted communities of color and has further highlighted existing structural inequities that persist in American society. Dr. Malik will discuss emerging vaccine related disparities, barriers and strategies for vaccine uptake, and ethical considerations in vaccine distribution. Dr. Alcalá will discuss structural and policy factors that are influencing disparities in vaccine uptake by race and ethnicity.

Thursday, April 8, 2021

5:30 pm to 7 pm

Speakers:

Héctor E. Alcalá, PhD, MPH, CPH, Assistant Professor, Department of Family, Population and Preventive Medicine, Program in Public Health

Sana Malik, MSW, MPH, DrPH, Assistant Professor, School of Social Welfare
